CONFERENCE CATALOGUE

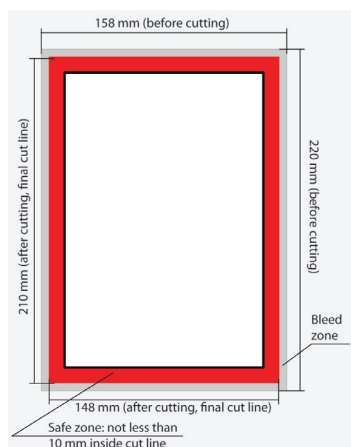

This year the annual All-Ukrainian Conference with International Participation DAIRY BUSINESS is held for the seventh time.

Traditionally, in the set of the Conference papers the delegates will find the Catalog (left) containing the overview of the dairy market prepared by INFAGRO analytical agency specializing just in dairy area. Dairy business professionals know that the content of the Catalog is unique and of real value to experts: this information is indispensable for dairy market analysis and development of the company strategy.

Advertising of dairy related equipment, ingredients, technologies and services in the Catalog is a precise targeting the dairy companies' management with presentation of your company capability.

You can place your A5 ad model in the Catalogue for 500 EUR. The model should meet the following specifications:

Size after cutting 148x210 mm, before cutting 158x220 mm

File type: .tif, .eps, .pdf.

Raster resolution: not less than 300 dpi

Color model: CMYK

If the file types are .eps or .pdf, fonts should be in curves.

If the file is of .eps type, the Adobe Illustrator version not higher than CS3.

Important:

The important elements of the ad model should not be too close to the sheet edge (margins 10 mm the least)

Ad models are placed in the Catalogue block on the first sent first placed basis.

*Wish you all the success and hope
you use this opportunity to strengthen your market position
and stand out among competitors!*
